What better tribute to our beloved teachers than to name their section after the game that they loathed? Not all of us fell prey to the calculator Tetris' snare, but most of us knew of the notorious menace. Through it all, our teachers goaded, urged, threatened and finally just plain seized... We are ~~eternally~~ grateful.

Teachers in the English Department are talented, hardworking professionals dedicated to helping students realize their potential and reach their goals. Collaborative planning by teachers leads to a well-articulated program which focuses on developing strong reading and writing skills. The writing program culminates in the required senior English thesis. The comprehensive literature program includes classic and contemporary works through which the students study various genres, specific literary movements, and individual authors. Students participate in the National Council of Teachers of English Annual Writing Competition, the English Union Annual Shakespeare Competition, and the New England Young Writers' Conference. With the support of parents and local organizations, teachers enrich classroom learning with field trips and in-school performances. All of this work occurs in a positive, supportive, student-centered environment under the direction of a wonderful group of teachers.

The Social Studies Department would like to take this opportunity to congratulate the graduating class of 2002 on their leadership after the disastrous events of September 11. It was your class that galvanized the entire school by organizing an all school assembly. It was the Belmontian club that initiated a fundraising drive for the Red Cross and a card writing campaign for Belmont families who were directly affected by this event. The Social Studies staff also merits kudos in their informed and sensitive discussion of these events. Altruism was another characteristic that defined the class of 2002. Your involvement in blood drives, food shelters, and the adoption of two AIDS families, further displayed your compassionate side. Your pioneering efforts in establishing the Connector's Program, which eases the transformation from middle school to high school, will be part of your legacy. On behalf of the social studies department I wish you success in your future endeavors.

BHS is pleased to welcome 4 new teachers to the mathematics department. They complement a veteran staff to implement an expanding program. Ms. Patricia Heffernan received a degree from Boston University. This year Ms. Heffernan teaches algebra I, algebra II and geometry. After ably filling in for Ms. Carter on leave last March, Ms. Beth Rockwell begins a new year teaching finance and business math and algebra II. Ms. Rockwell worked as a mechanical engineer at Converse Inc. and Lucent Technologies Inc. She is a graduate of the University of Rochester. Ms. Mary Madden teaches and wrote the new curriculum for our new mathematics skill development course and geometry. A graduate of Framingham State College, Ms. Madden has taught at elementary, middle and high school levels. Mr. Ben Delorio hails from the University of Kansas. He looks forward to teaching geometry, algebra I & advanced math at BHS.

The Math Team, under the able coaching of Mr. El Sheik, comes off a state championship year, boasting 25 members, including many promising freshmen. Students compete against other schools both at home and away. The department also sponsors mail-in contests open to all students. These include the Math Olympiad each October and the American Mathematics Exam in early February. Students receive prizes and certificates for achievement in these contests.

As a newcomer to Belmont High School, I am incredibly impressed with the quality of student work in the fine and performing arts. The music ensembles are among the best that I have heard in any school. The quality of artwork exhibited both in and outside of school is near professional level, as are the theater productions. It's wonderful to see so many students involved in the after-school dance program. Bravo to the class of 2002 on its production of "All I Really Need to Know I Learned in Kindergarten!" Many thanks to our very talented fine arts faculty for all of their hard work, dedication, and commitment to excellence.

The Game of

LIFE

The Game of Life starts with high school graduation - from here, according to Milton Bradley, anyway, we are finally equipped to begin "real life". Perhaps high school represents years to come; both are filled with challenges, ups and downs, setbacks and moments of triumph. As we continue to reach milestones in our lives, hopefully we will look back on our high school years, with fondness, remembering this seeming prologue to adult life.

LIFE

GRADUATION
↓

I remember as if it were yesterday when we first walked in the doors of Belmont High School. As the years rolled on by, we have finally come to the end of an era. Somehow we always managed to be the youngest students at BHS. Arriving in sixth grade we couldn't be more afraid. Leaving as seniors we couldn't be more excited. Although it took forever to get here, it takes two seconds to realize that your high school career is about to end. Many of us can't wait to leave, as others will cry when we realize it is time to start a new chapter in our lives.

Looking back on our years spent at Belmont High School, we have truly demonstrated the full potential that our class has to offer. On the field we have shown leadership, talent and teamwork. In the theater and music rooms we have given breathtaking performances. In the classroom we were sometimes the teachers.

Whether it was in or out of school, we as a class came together to share an experience that will last a lifetime. As we spend our last days together in June, we must never forget the memories that have made our high school years complete. Our class has been through good and bad times, but we still managed to come out on top. I can't say thank you enough to everyone who has put a smile on my face.

"It's time to start to live the life you've imagined!"

-Henry James

Good luck to all of us in the future!

Matthew Diozzi
Senior Class President

The class of 2002 has been a very special one for me. I have enjoyed working closely with you through your four years at Belmont High School. I have watched you grow, and hope that I have been instrumental in helping you reach your potential. Your enthusiasm, spirit, and dedication have been captivating and the opportunity to work with you throughout these four years, especially as your senior class advisor, has been a great privilege. You have given me the opportunity to know you academically and socially, and over the past four years you have shown me what it really means for a community to bond and classmates to come together as a class. You have approached this year with a firm sense of purpose and a strong commitment that has made it a memorable one for all.

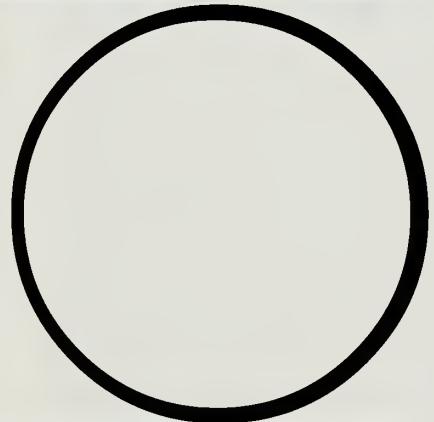

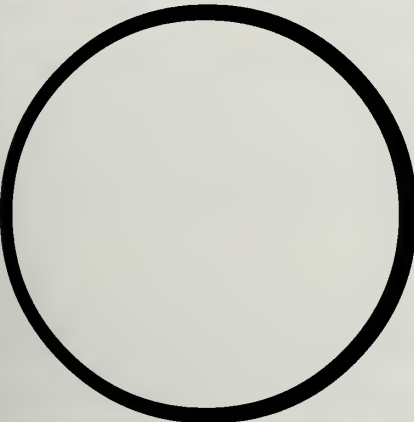

Graduation is a wonderful, but a bittersweet time. As you leave behind the comfort and the structure of Belmont High School and enter the unknown world of the future, remember all that you have learned in the past four years: it will allow you to be a success at whatever you choose to pursue. Always approach your responsibilities with exuberance and passion. Be always mindful that the humanity, ethics, and morality you extend to those you encounter will surely make the place you are going, a better place to live.

As a Belmont High School graduate, I often look back and see myself in your shoes as you are now. As my time at Belmont High School prepared me to fulfill my dreams, I hope it has done the same for each of you. Hopefully, when you look back at your four years at Belmont High, you will cherish each day that you shared. Truly, these days will always remain some of the happiest and most carefree days of your life. Cherish these memories.

Congratulations on your accomplishment and my very best wishes to each and every member of the class of 2002.

Nursery Chairs

A. A. Milne

*One of the chairs is South America,
One of the chairs is a ship at sea,
One is a cage for a great big lion,
And one is a chair for Me.*

THE FIRST CHAIR.

When I go up the Amazon,
I stop at night and fire a gun
To call my faithful band.
And Indians in twos and threes,
Come silently between the trees,
And wait for me to land.
And if I do not want to play
With any Indians today,
I simply wave my hand.
And then they turn and go away-
They always understand.

THE THIRD CHAIR.

When I am in my ship, I see
The other ships go sailing by.
A sailor leans and calls to me
As his ship goes sailing by.
Across the sea he leans to me,
Above the winds I hear him cry:
"Is this the way to Round-the-World?"
He calls as he goes by.

THE SECOND CHAIR.

I'm a great big lion in my cage,
And I often frighten Nanny with a roar
Then I hold her very tight, and
Tell her not to be so frightened-
And she doesn't be so frightened any more.

THE FOURTH CHAIR.

Whenever I sit in a high chair
For breakfast or dinner or tea,
I try to pretend that it's *my* chair
And that I am a baby of three.

*Shall I go off to South America?
Shall I put out in my ship to sea?
Or get in my cage and be lions and tigers?
Or - shall I be only me?*

KIDS SECTION

We may not have believed in the invisible germs, but the epidemic spread like wildfire all the same. We filled our early years with screams of terror and giggles of glee as we passed the invincible cooties on. Now, we can enjoy the memories.

TROUBLE

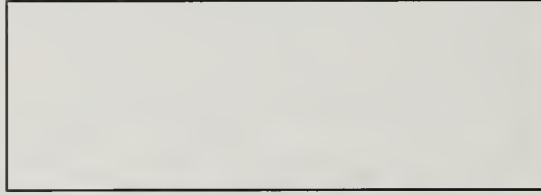

Underclassmen

They're more trouble than they're worth. Yes, we've been there. But were we really ever so insecure? So concerned about grades? So short? We forgive them for their weaknesses, and love them for their strengths. And we wish them the very best throughout their high school years- hopefully they won't cause any more trouble!

Sophomores

We had tremendous support this year from the sophomore class which helped us to solidify our funds for next year. Our fundraisers proved to be successful all around with the help of our community and our advisor, Ms. Gange. We are on track to raise plenty of money for our future needs with the conclusion of this year. We look forward to working with our supportive class again next year.

Freshmen

During our first year at Belmont High School, the Freshmen Class has accomplished many things. We held our first successful dance, sold magazines and lollipops and had fun in the process. As the officers, we've learned the hard work needed to succeed. We look forward to 3 more great years at BHS!

First and foremost, thank you so much for another season of good times, friendship, and success. You have made ours, and all of the seniors', four years very special - League Champs 2001! Our times with the team will always play a large role in our memories at BHS. A few reminders to keep those memories alive... What's my total?... Reject Lane... Who wants the ball?... Bus chats with Rocky... Go Bananas!... Low IQ, Think again... Movie Night at Maria's... Mary's Bertucci Stud... Brittany's and Margaret's counting skills... Evelyn's Motivational speeches... MARA-UDERS?

To the timesquad - keep your thumbs strong! Moose and Jason - thank you for your help with everything. We had a blast this season, girls, keep swimming and always 'Refuse to Cruise!'

Definition of "underdog": a team that starts with all odds against them, but with each other can overcome all obstacles in their path. You guys this was an amazing season; we laughed, we cried, we ran... and ran... and ran, Katie farted, Briana had "compartment" syndrome, Roomy had Roomy, Courtney kissed up, Andy and Amanda "ran" after practice, Chloe scored 2 goals, Erin wore short shorts, Anna plus Katie equals one, Christine ate Ling, Mary shortened practice, Leanne asked for a "sun", Molly spoke up, Lily had spirit, Lindsey had "really cool" shoes, Sheena made pom poms, Tess growled, Liz talked about Dave, and Kathryn... she joined the team. And Kristen... nice shades! Thanks to Nicole, Ellen, Mani, and Sue, we could not have done it without you. Thanks golf for all you've done too. Parents and superfans thanks for having faith, don't worry we will get them next season.

Looking back on the volleyball season 2001, many things come to mind. Although our record isn't that great, we had a season full of laughter and good memories. The season has flashed so quickly before our eyes that we didn't have a chance to realize what we'd be missing in the end...

Thanks to our managers, Alexia, Farrah, and Feng.

The boys' varsity soccer team battled their way to the MIAA tournament this year by finishing with a regular season record of 7-6-5. Coach Loosmann, in his first year as the varsity coach, was extremely pleased with the way players improved individually and how the team played together as the season progressed. Memorable moments included an exciting 2-1 home win over playoff-bound Lexington, and a 1-1 tie against unbeaten defending state champs Woburn in a night game at Woburn. After winning their first round tournament game 5-0, the boys lost to North Andover 1-0 in the second round of the tournament on a goal scored in the final minute of regulation. The team was led by the outstanding play of seniors Mike Shaw and Jonah Nissenbaum, who were voted to the Middlesex League All-Stars 1st Team, and also by Senior Garrett Carman and Juniors Roy Dow and Marco D'Andrea, who were voted to the 2nd Team. The team would like to thank parents, teachers and fellow students for all of the support during the 2001 season, and has high hopes for a strong season in 2002.

The 2001 Belmont High Football team, lead by head coach Ed Mullin, tri-captains Matthew Benoit, Michael Dayton, Joseph Dacey, and 15 seniors finished the season with a 5-6 record. Not exactly what we had planned, but it was an improvement from previous years (not as many signs as we wanted to hang in the cafe). In the 2001 season, we didn't have a home field, so we played in Watertown. We had great wins, and tragic losses. Woburn being tragic, and Watertown being great. Hopefully, the upcoming teams can build off of our momentum to achieve higher records in the years to come. The team would like to thank the cheerleaders for all their support and dedication, and especially our coaching staff: Coach Mullin, Arangio, Brown, Doble, Schutt, Gingola, Messina, Rocco, and Currier. Thank you coaches for teaching us the game but most of all for making us love the game. Good luck next year on the new field as well as in the seasons to come.

To our girls,

We want to thank you guys for a great year. We know it has been hard having games in Watertown, our uniforms coming late, and the camp saga. You guys are truly amazing and have always been supportive. You all worked very hard this year, and we couldn't have asked for a better team. Coach Mere thanks for all your help! We love you all and will miss you next year. Good luck! Love, Shira and Katie

Captain: Patrice Mahoney (with Laura Robotham)
Coach: Bill Brotchie

Hey, we won our first meet and we won our last meet; what happened in between can just be ignored! New runners Cathrine Dillon (junior) and Margit Liander (freshman) were outstanding, each running the 3-mile course in about 20 minutes. Returning junior Laura Robotham broke her 20-minute personal record, while placing in the top five in almost every meet. Although the crazy boys' team was always causing trouble, it's Chris Harris and Victor Gras' flirting that kept Tara Garvin and Dillon coming to practice every day.

Hannah, Dillon, Margit, Jess, Laura, Kitty, Nancy, Tara, Lilah, and the boys - You all did an awesome job, especially hanging in there against tough teams. I'll never forget running along the Charles, team dinner, beating Watertown, and of course, everyone making fun of me for getting run over by a parked car! We really came together as a team in the end, and I'll miss running with such a great group of people.

After a truly hard season, the boys managed to have a final record of 3-6. Victor leading the team, finishing first to all league meets, helped us greatly. Vincent and Brandon running together for most of the races, following them were Jimmy, Keith, Scott, Jesse, Chris, Dan, and Dave. Brochie as always, making us run hard, to MIT and Lexington. Good luck to all you future Olympics stars. Overall, a great start and great finish.

It was a fun year for the Belmont Mens Swim team. We posted a 4-1 league record and 5-2 overall to finish 2nd place in the Middlesex League. This team has come a long way from when I started as a freshman and has shown tremendous progress throughout the year. Our team had solid contributions from everyone including the First Place twins Matt and Nate, Nick "The Prodigy" Trilla, Miles "Sexual Practices" Kopke, Terry Glenn and my Co Captain Paul "I don't know how to check my email" Scorza. Thank you all for a great a season full of wonderful memories, especially my two weeks, Richie.

We had alot of fun this season and will never forget it, whether it will be remembering Tess saying something funny, Igo cheering from the sidelines or Meg doing some crazy post move. Each girl gave an amazing effort and played with heart. We would like to thank Coach Hoag, Mr. Giampa and Coach Christofori for their dedication to this team and to Sharon for bringing inspiration and motivation to all of us. The ski team has prospered once again, despite the lack of snow. Although 3 of the 11 scheduled races were canceled, along with many practices, Belmont skied well and gave the other teams a run for their money. The girls clinched 5th place, and the boys also took 5th. In addition to the regular season, we sent Ted and Erika to the Baystate Games, while Allycia tied for first in the league and went on to the State Championships.

Even though not much time was spent on the actual slopes, the team saw a lot of changes this year on the mountain. Ragged's new six-pack made the lift line shorter and the ride more enjoyable, while Blue Hills' first published trail map provided much clarity for the team (note: this map really does exist).

The addition of many gung-ho freshmen, sophomores, juniors and seniors kept the team strong and full of talent. Returning skiers provided a strong backbone and really pulled the team together.

Memories: Give me claw... "the answer... is three," Blue Hills' expertise in course settings, "what you tink about daaaaaaaaat?!?" YOU ROCK MY WORLD! Twigs, Always do your wallsits and don't forget to read your inspiration!

This season has been more of a season for personal achievements than for achievements for the team as a whole. Our team was young and lacked the depth of a team that would be competitive with the top teams in the league. But, tremendous improvements were noted in almost every runner, high jumper, hurdler, and shot putter's best performance. Everybody on the team really worked hard and it really paid off with much of the team getting their personal bests. Good luck to the future indoor track teams.

The 2001 season was one of promise and development for the Belmont Baseball Program. Although we were 5-15, we were competitive and focused in all our games. Good starting pitching, much of which is returning, and solid defense around the diamond allowed us to compete with the best in the league. Many underclassmen got valuable varsity experience and the 2002 season promises to be an excellent one and a return to the tournament for the Belmont Baseball Program.

Overall, the outdoor track team has a great season this year. While we may not have had a spectacular record, it was clearly a building year with many positive results. The team seemed to grow stronger and more confident as the season progressed. The team enjoyed great success in earning points as well as personal bests due to its lightning-fast sprinters, resilient middle and long distance runners, a strong nucleus of shot putters, high jumpers, long jumpers, discus throwers, javelin throwers, and the hurdlers. We worked hard to be the best we could be, and had fun doing it. Good luck to the next future Belmont track teams.

the Anime Club has survived its first year of leadership, and due to some freak accident has more than doubled in size. We stayed true to our main objective of watching great anime, and have had time to debate a lot of life questions: Where are Post and Rory? Why does Vash change color? And does Kenshin sound like a girl? Soon we will know the answers. Maybe then we will stage an anime extravaganza, or plan to take over the world, who knows. But for now sit back and enjoy the show.

The Belmontian Club has been very successful this year. So far major projects have included raising money for the Red Cross, running a clothing drive for Woods Mullin shelter, attending a City Year Serve-a-Thon, answering phones at a WGBH pledge drive, and making hundreds of cheesy holiday cards for Children's Hospital and Belmont Manor. In addition, we have offered service at many elderly homes, shelters, schools and other organizations in Belmont and the Boston area. We want to thank both the members of Belmontian and everyone at BHS who has contributed to our causes. Keep up the good work, and we will miss you next year!

This was a rebuilding year for us after last season's state championship. The team was led by co-captain seniors Dan Jerison and Brian Caliendo as well as junior Brian Liau, with a rotating cast of underclassmen filling out the remaining slots. Although we slipped to third in the standings, we did make progress in some key areas, such as playing cards on the bus, eating even more of Mr. El-Sheikh's food, and prosecuting illegal camel-hunters in Arizona. With strong sophomore and freshman classes, we should be back to reclaim our title before long.

Well, this year went along relatively well. Our movies drew a few people here and there, when we didn't get the little theater stolen out from under our noses. More importantly though, we successfully managed to completely avoid going into debt this year! Now, if only this crazy fly-by-night outfit calling itself the "FBI" would leave us alone, we'd be in business!

Thanks to the help of Mr. Goldman and I we're a pretty good team of lawyers. Fast-softball is very dangerous, and please, try applying to "Ari-Kelly Junior College" kids there are emotionally distressed. The Foaggs?? Are you home?? Barney, are still talking? Harout will always be our G-ian, and Alex will always provide us notecards. \$250,000, that's a lot of money it Mr. Willinger? Sam, are you still stu for that test? We're the nastiest lawyers Bel High has ever seen...watch out...we might YOU.

National Honor Society

It's been yet another honorable year for us here at the National Honor Society. We kicked the year off in November by inducting the junior members, bringing the male enrollment up to a whopping 30%. Shortly thereafter, many of us answered our call of duty by ringing the Salvation Army bell in front of Filene's, braving the freezing December weather at one point, dropped to an almost unbearable seventy degrees. After many intense meetings loaded with the energy and enthusiasm that we are known for, we all found ourselves pleased with the completion of another exciting year.

PAC stands for the Performing Arts Company and it is clearly one of the best clubs in school. The one mistake that most people make about the PAC, which really bugs us, is that our club's acronym is pronounced PACK, which isn't, it is the P-A-C. Each letter is said out, and they are not combined to form one word, they each have their own letter. So, from now on, if anyone could please refer to the Performing Arts Company as the P-A-C, we would greatly appreciate it. And come see our shows, because they are awesome. Thank you.

The members of the PAC are so many that we couldn't, or didn't want to bother trying, to fit them into this small space.

Officers: Matt Blake, Lily Ciaramitaro, Adam Aigner-Treworgy, Jessie Schanzle, and Annie Herzog.

This is the first year of the Soccer Club. In the Soccer Club (though we prefer the term 'foot-ball', we get together to discuss and analyze the world of international soccer. During inactive times, we meet only twice a month. But during seasonal times (UEFA Champion's League, FIFA World Cup) we meet far more often. After the day of a match, we meet and give our thoughts and analysis of the game(s) that took place between the current meeting and the previous meeting. We also find time to play soccer together and go over people's houses to watch certain matches.

HOLA!!! The Spanish club had a lot of fun this year. We sold lollipops so that we could plan many exiting events. In the spring, we went to a spanish restaurant and had a great time. We are also got a spanish/salsa dancer to come and teach us how to Spanish dance. Hopefully more of you will join next year because you will have a fun and exiting time!!!

Student Senate

As the Student Senate, our job is to represent the students to the administration in a way that goes against all the stereotypes that adults hold regarding teenagers. We have to show the administration that teenagers can hold positions of responsibility and make a difference in our surroundings. We are underappreciated by the student body, but without us who would plan the Semi-Formal, and who would fight for Senior's open campus. We fight the fights that need to be fought so that the average student doesn't have to bother with our problems. We are the heroes of the school, and it is time that everyone started to realize. We hope that next year the Student Senate will get the credit they deserve. Thank you.

New to Belmont High School this year, the Ultimate Frisbee club was the ultimate due to the awesome athletic strength and creative energy of its 22 players who defied expectations, even gravity. We had some beginners, intermediates, and some ultimate superstars, but we all had a great time. No coaches, no uniforms, no cheerleaders. It was all good, all knowing - yin and yang. After countless hours of non-stop action in every month, time of day, weather condition imaginable, we learned to throw the disc in 14 ways, ranging from the standard backhand to Liau's elusive anti-chiropractic special. Looking back on one of this new BHS sport was a tremendous success. A final piece of life advice, Thoreau once said, "Go confidently in the direction of your dreams." As we added, "I'll be there, just in case."

Also some underclassmen.

Ultimate Uno

First of all, I'd like to thank all the D.C.A.T.E.D. members who made this the Ultimate Uno Club's most successful year EVER. I'm proud to say that our dedication level is at an all-time high - every member who came to the meeting came to every other meeting. Pretty amazing for the biggest club in Belmont High! We had nearly 100% support in our single bake sale and fundraiser we had. But more importantly, we did what our club intended to do: demonstrate to the younger students the proper way for seniors to act. Just remember: it's not what you do, how you do it - "not at all".

e a new club devoted to creating aware-
and taking action around the issues of
essness and poverty. We are a small, but
club. We started the year successfully
lecting several bags of children's winter
ng for a clothing swap in Cambridge. We
many ideas planned for the rest of the
and hope our small and active club will
into a large and active club!

BINGO

MUSIC

"There was a farmer had a dog." We were weaned on songs like this. Some of us had more aspiring careers as musicians, others prefer board games. Either way, each of us has had and many of us have enjoyed numerous opportunities to listen to the surprisingly sophisticated sounds of the various BHS band, orchestral and choral groups.

Jazz Band

Jazz Band Members: Adam Ponte, Andrew Schwartz, Billy Durette, Kelsey Steinmack, Mike Sugarman, Andrew Laubscher, Jenny Merullo, Andrew Sadoway, Michael Carter, Jeff O'Reilly, Chris Shea, Ben Belok, Kent Akasaka, Shiina Akasaka, James Post, Brittany Sasser, Joanna Jensen-Granisch, Sam Lasser, Brian Starck, Lucy Indge, Joe Harvey

Our Amazing Conductor: Mr. Morehouse (Mas-Casa)

Our band is so crazy. We are known for eating yams for good luck, and playing nursing home jazz music. Rock the mullet with Wesley Willis, Rock on Chicago, Wheaties-Yams: breakfast of champions, and everything is OFTC. Laubscher has been brain-washed by the "eeee's" and Kent A. is Eric/Kyle Hur reincarnated. What a jazz band. Morehouse, thank you for all of your patience...we're so crazy...where's diossi?

Symphonic Band

The symphonic band travelled to Florida twice in the past four years in a successful endeavor to visit Disneyworld and escape the unfriendly Boston weather during the school week... all under the guise of "performing". Members of the band are serious musicians at the mercy of their serious conductor, Chris Morehouse, who has recently added the strenuous task of teaching an AP course, Music Theory, to more dedicated music students.

Marching Band and Color Guard

Hey, remember Marching Band? That was awesome.

Concert Choir

The BHS Concert Choir contains over 100 students from grades 9-12. The choir rehearses and performs a wide range of choral arrangements. Over the last four years, the Belmont High School Concert Choir has performed in various different states and countries and won numerous distinctions under the able direction of Cassandra Morgan. In 2000, the choir performed in Nassau, Bahamas. In 2001, the choir was honored to be invited to perform at a convention of music educators in Pittsburgh, PA. The choir has been accompanied by several gifted pianists, with Lucy DeSa playing for most performances.

Orchestra

The orchestra has been wonderful these past four years-made up of many talented musicians, a lot of whom have studied with Mr. Hanson since third grade. He motivates them to practice more and to be on time to improve themselves, and they have had many interesting experiences despite the time of day that they meet. How could anyone fall asleep during first period with over seventy string players sawing away at triple forte?

Hello we are the BHS Madrigals Singers. C and the rumors are true. Yes we wear tights a poofy dresses. And oh you like it. Yes we si and dance in the streets. We do it and we do well. But we digress and would like to tha Ms. Morgan for a great year. It has been o extreme honor to work with her. The Rena sance Dinner will be an experience we'll nev forget. And the DD and BK runs before 1 hearsals. Much Love and good luck to ne year. MADS-4-Life! ~One~

A Capella Groups

Senior Girls A Cappella

We've worked together throughout high school and gradually developed tight harmonies and had a lot of fun rehearsing and performing together.

Sophomore Mixed A Cappella

We are a relatively new group composed of enthusiastic sophomore singers. We're looking forward to working together in the future!

The Beatles

One of the school's lesser-known groups, the Beatles combine a '60s rock 'n roll beat with their funky Liverpudlian accents, quirky personalities, and impressive song-writing skills.

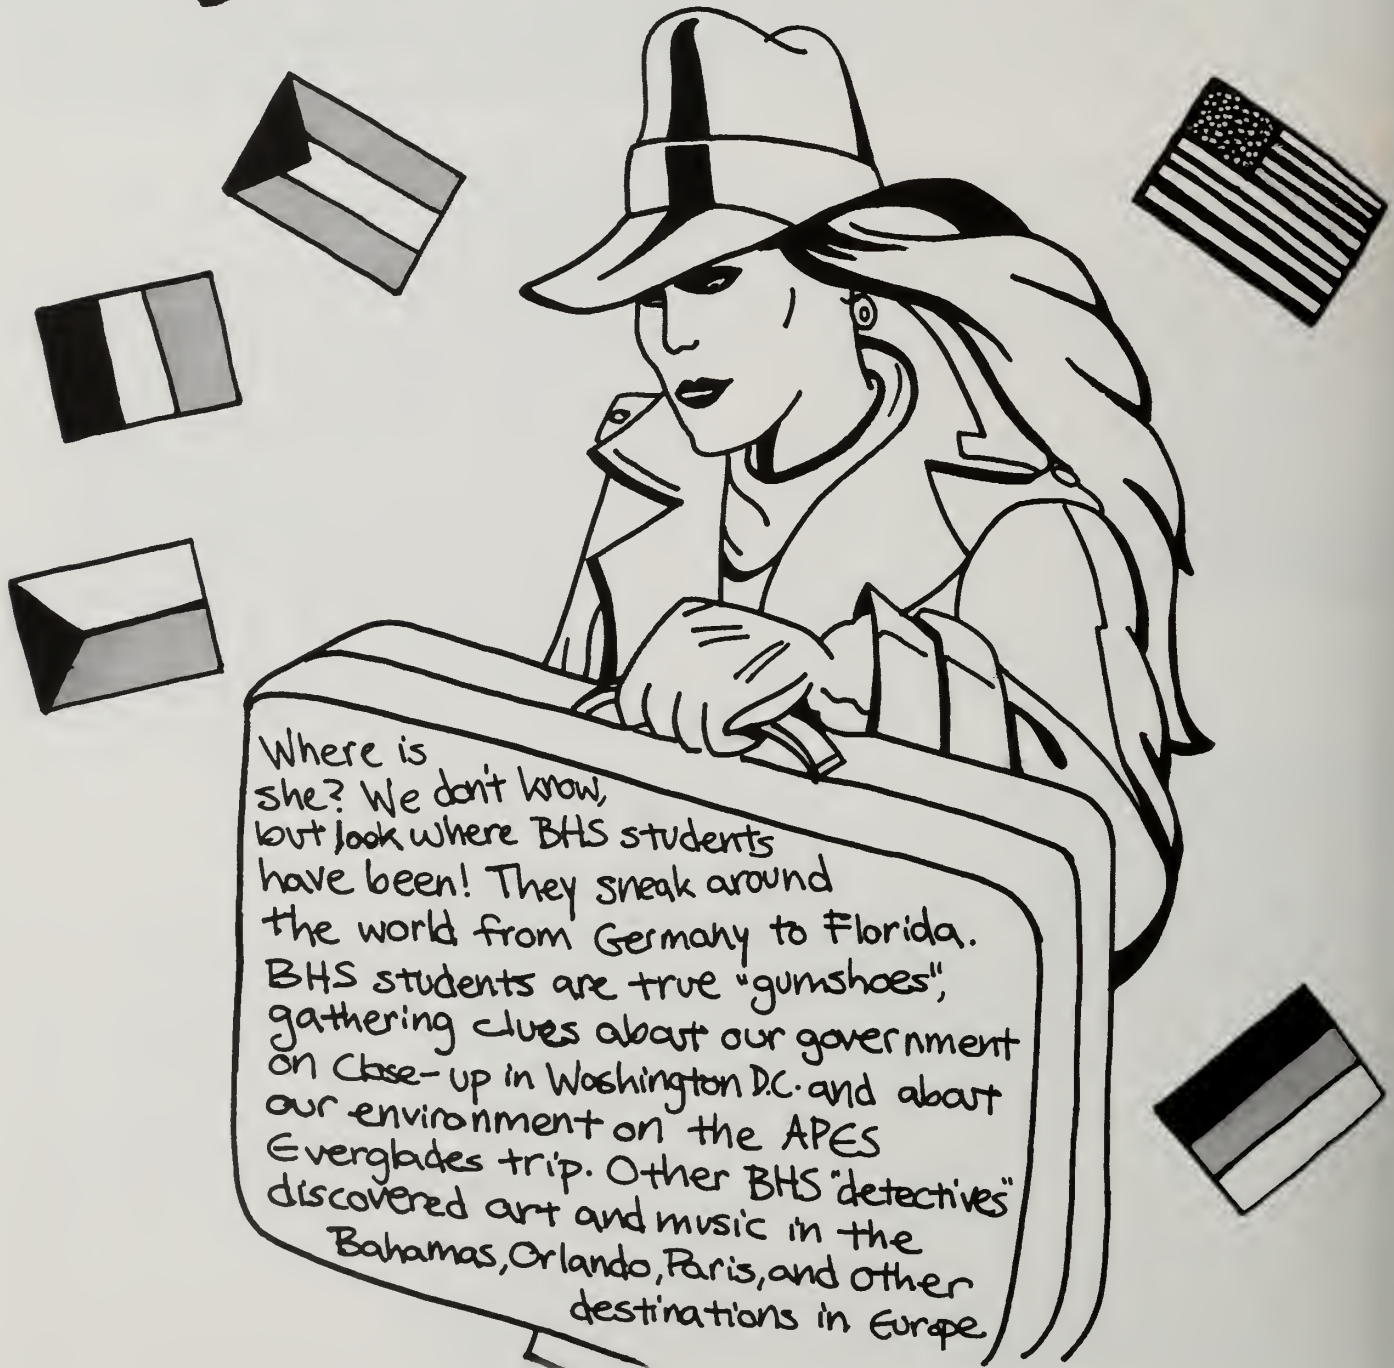

Sweet Dreamers

We are a sophomore girls group that is celebrating our second year together. We love getting together to harmonize on modern songs, like our namesake "Sweet Dreams"

The Belmont High School Music Program also has numerous other small singing groups, including a gospel choir, senior, junior, freshmen, and mixed a cappella groups, and a brand-new faculty choir which performed for the first time at the orchestra and concert choir's concert in March, and which invites faculty and community members to rehearse weekly. A very large percentage of choral students are involved in one or more small or a cappella groups. All groups are directed and conducted by Cassandra Morgan.

Dear Mikey,

Words cannot express the pride we felt at your birth, the birth of our first son, Michael William Courtney, Jr. aka The Prince! From that moment on, you have taken a special place in our hearts, especially in Dad's. We are so very proud of the person you have become. We admire the choices you have made in your young life and the struggles you put yourself through to do things just right and nothing less. We know that you will continue to meet new challenges with strength and confidence. It is so very difficult to see time pass by so quickly, but we are excited for you as you move on. Be as proud of yourself as we are and remember that we love you very, very much. We will always be here for you. CONGRATULATIONS!
